Sub: Information regarding BDS Tuition Fee at BBDCODS for 2022-23.

Respected Ma'am,

With reference to above, this is to bring to your kind notice that the BDS tuition fee as per U.P Govt. order G.O. 1001/71-4-18-37/2015 dated 18th June, 2019 was decided as Rs. 3,48,000/- per annum. The BBD University has decided to provide some scholarship schemes. Hence, this year for 2022-23 batch our tuition fee will be Rs. 2,98,000/- per year / per student.

In this regard we would like to submit that as the first round of UP-State NEET – UG 2022 counseling is in progress kindly allow the candidates to join by depositing a minimum of Rs. 1,00,000 (Rupees One Lakh only) as college tuition fees in addition to the registration amount and refundable security fees as most of the students depend on bank loan for their education.

We request your good self to kindly consider this proposal to facilitate the admission procedure.

You are requested to kindly display our fee structure for BDS 2022-23 on the DGME website as well.

Thanking you

Yours Sincerely

Prof. Dr. Puneet Ahuja
